* Savings amounts are based on information from **StabUinDback Insurance** Auto Insurance Program customers who became new auto insurance policyholders between 7/01/10 and 6/30/11 and provided data regarding their savings and prior carrier. Your savings may vary.

† If you are age 50 or older, once you're insured through this Program for at least 60 days, you cannot be refused renewal as long as applicable premiums are paid when due. Also, you and other customary drivers of your vehicles must retain valid licenses, remain physically and mentally capable of operating an automobile, have no convictions for driving while intoxicated and must not have obtained your policy through material misrepresentation. Benefit currently not available in Hawaii, Michigan, New Hampshire and North Carolina.

** If you have a total loss of a new car within the first 15 months or 15,000 miles after purchase, we'll pay the replacement cost of a new vehicle -- the same make, model and equipment -- with no deduction for depreciation. This applies only if physical damage coverage is provided for the covered auto.
