The Sentinel Plan™
Serving Families for over 60 years

Sentinel's New Vantage Plan™
a sound and dependable plan that
will help pay the last expenses and
funeral costs for any member of
the family when death occurs.

Funeral costs often make death a double tragedy by burdening the family with additional costs at the very time they are grieving the loss of their loved one. Time and experience have proven this low-cost protection plan to be the most practical means of meeting these expenses when they arise.

National Average Funeral Costs:	\$7,300.00
Maximum Social Security Benefit	\$255.00
Balance to be paid by ?????	\$7,045.00

For a low monthly payment, the Sentinel Plan™ can cover those costs and more.
