* All annuities are income tax deferred under current federal tax law. ¹ Current rate shown is a total first year annuity rate. The first-year declared interest rate is an annual effective yield that is guaranteed for the first contract year. It is separate from the contract's guaranteed minimum interest rate, which is effective for all contract years. Tax-deferred status under current law. ² Interest rates are based on current rates for Platinum Bonus 10 and are subject to change without notice. The minimum guaranteed interest rate is 2%. All rates shown are the annual effective yield and are current as of 2/15/11. Interest rates are credited from the first day of receipt of funds. Neither the Automobile Club of Southern California nor AAA Life Insurance Company provide tax advice. You may wish to consult independent legal, tax, or financial advice prior to the purchase of this product to see if annuities are right for you. Annuities are not short-term financial products and are not FDIC insured. Issuance may not be available at all ages. During the surrender charge period, withdrawals exceeding 10% will be subject to a surrender charge that may be higher than fees associated with other types of financial products and may reduce principal. See contract for specific details of the surrender charge schedule. Withdrawals prior to 59 1/2 may be subject to IRS penalties, separate from the annuity's schedule of withdrawal charges.
