Good afternoon,

What a way to kick off the day. After this morning's giant news THNS took off straight out the gates, reaching a high of .1575, representing a gain of over 21%.

Following today's breaking news THNS took off and as activity continues to build more Indicators continue to turn Green. As activity continues to build and the Company continues to release blockbuster news there could still be a lot to be excited for with THNS.

In case you have yet to see today's news, here it is:

With news like this and the Company posting revenues reaching past 2.5Mn it seems pretty clear that THNS is going to be in the spotlight for quite some time.

Just in case you have yet to start your research on THNS, don't wait. Today we are looking at a unique situation that has generated quite a buzz in the small markets and could have a whole lot left in the tank:

Don't feel you've missed the boat here; with a technology this special we could be looking at just the start of something much bigger.

As always, we encourage you to do further research. Also, when you find yourself in a position to profit, it is often wise to do so. Just because a situation looks great things can still go wrong, protect yourself.

Talk later,
